To whom it may concern:

Ms Cloé Legoube has been employed by Disneyland Paris since August, 2010 and is currently working as Sales Executive within our Business Solutions division.

Her duties include:

Guest relations

Sales and reservation

Lead management

Ms Cloé Legoube is a reliable, regular employee and eager to work. Dynamic and cordial, Cloé maintains an excellent communication with guests, her entourage and supervisors.

She is mature and autonomous. Mrs Legoube is a responsible and a motivated fellow worker who is devoted to accomplishing the tasks she has set forth for herself. She has demonstrated her commitment to our department more than any other staff this season.

I do not hesitate to recommend her for any job within the Guest Relations and Sales area. I remain available to answer any pertinent questions.
